Section B

Rule A: Fees/Dues

All fees/dues **MUST** be paid in full before any points will be awarded.

\$85 total dues (\$45 for GHIN/Handicap and \$40 cash for end of the year prizes)

If you have an active GHIN: Dues are only \$40 cash for end of the year prizes

Section C

Rule A: Format

Modified Stableford- Stableford scoring systems are stroke-play formats in which the high total wins, not the low. That's because in Stableford, your final score is not your stroke total, but rather the total points you have earned for your scores on each individual hole.

Modified Stableford Point System-

Albatross- 12 Eagle- 8 Birdie- 4 Par- 2 Bogey- 1 Double Bogey +- 0

Rule B: Handicap

All players must have a USGA GHIN Handicap. USGA GHIN Handicap applies. All players will receive 60% of their 9-hole handicap using the New World Handicap System for the given 9. The New World Handicap System considers the different tees being played. Course Rating and Slope used are from GHIN.

Rule C: Scoring

Scoring will be administered by the rules committee.

Scores will be entered in GHIN by the rules committee with the new World Handicap System Net Double Bogey Formula for maximum score per hole.

Enter the total score for the hole on the scorecard. The score will be entered into the GHIN Handicap System using the hole by hole method and will make the adjustment.

Note: The league uses 60% of a player's handicap for point scoring only. The GHIN Handicap System will make the proper adjustment based on the player's full handicap.

Rule D: Pairings:

All players will have tee times with the first starting at 4:30pm with pairings being posted by 4:00pm the Monday prior to the event.

All rounds **MUST** be played with a member of the league **(NO EXCEPTIONS)**

For 2023 scorecards NEED to be signed, dated, and attested. Please turn them in at the pro shop.

The scorecard must contain each players FIRST and LAST name. Names and scores must be written legibly. Names and scores that cannot be read clearly will not count.

Rule E: Absentees:

League set up does not require attendance every week so a missed week will not hurt the individual's end of the year score. Make-up rounds are possible if completed 2 weeks prior to playoffs. All make-up rounds **MUST** be played with a member of the league **(NO EXCEPTIONS)**

Rule F: Rainouts

If Wednesday is rained out and canceled by decision of MHGC the week will become null and void, no make ups.

Rule G: Out of Bounds

Balls hit Out of Bounds will be played as a Lateral Hazard. Go to the point where the ball crossed the boundary and drop within two club lengths no closer to the hole and add one penalty stroke.

Rule H: High Grass Areas

Balls hit into the High Grass Areas will be played as a Lateral Hazard if **NOT** found. Go to the point where the ball crossed into the High Grass Area and drop within two club lengths no closer to the hole and add one penalty stroke.

If the ball is found, the player has two options:

- 1) Play the ball without penalty (Player can improve the lie)
- 2) Play it as a lost ball. Go to the point where the ball crossed the boundary and drop within two club lengths no closer to the hole and add one penalty stroke.

Rule I: Sand Traps

Player has 2 options **WITHOUT** penalty:

- 1) Play the ball as it lies
- 2) Lift smooth and place the ball

Rule J: Preferred Lies

Player may lift, clean, and place the ball through the green. (AKA: Play the ball up) The player can **NOT** improve **the line of site** for the shot.
