

IN LOVING MEMORY

Timothy M. McAvoy

April 9th, 1954-August 17th, 2018

This past August, we lost our dear friend Tim McAvoy. Tim was the person you could call whenever you needed help. He would always be there. His family was the most important thing in his life. His children and grandchildren meant the world to him and he enjoyed being with them more than anything. He also loved golf. In addition to being an avid player, he was the head superintendent at Fox Hollow Golf Club for over 30 years. His favorite charity was St. Jude's Children's Research Hospital. It is only fitting that we pay tribute to him playing golf and helping those families who are less fortunate than he was. All proceeds from the event will be donated to St. Jude Children's Research Hospital in Tim's name.

\$145 PER GOLFER

\$550 PER FOURSOME

includes

Lunch, Golf, & Dinner Reception

Golf Giveaways

Team & Individual Prizes

Door Prizes, Auction Items, Hole Contests

11:00AM

REGISTRATION & BBQ LUNCH

12:30PM

SHOTGUN START

SCRAMBLE FORMAT

ONE HOUR OPEN BAR &

DINNER BUFFET AFTER GOLF

GIFTS THAT GIVE

Every dollar makes a difference...

\$3 - Help provide pediatric isolation masks to help protect patients with compromised immune systems

\$10 - Help provide a new toy for hospital play areas or recreational areas at St. Jude housing facilities

\$36 - Help provide a St. Jude family with meals for one day in the Kay Kafe, the St. Jude cafeteria

\$57 - Help provide necessities for parents who may have hurriedly left home after their child's diagnosis

\$100 - Help provide a platelet count test for two patients: Platelet counts are among the tests doctors use to monitor patient health during treatment

\$250 - Help provide a meal card for a St. Jude family for one week: St. Jude provides patients & their families with meal cards for breakfast, lunch, & dinner in Kay Kafe, the hospital's cafeteria

\$500 - Help provide one platelet transfusion: During chemotherapy, the platelet count of patients can drop to dangerously low levels so platelet transfusions are essential for treatment.

\$750 - Help cover the cost of five days of oxygen for a St. Jude patient. During treatment, St. Jude patients may need oxygen to help their bodies function properly & aid in healing.

\$1000 - Help cover about two-thirds of the cost of one day chemotherapy: Treatments invented at St. Jude have helped push the overall survival rate for childhood cancers from 20 percent when the hospital opened in 1962 to more than 80 percent today

*Why donate to
St. Jude Children's Research Hospital?*

*Families never receive a bill from St. Jude for
treatment, travel, housing, or food - because all a
family should worry about is helping their child live*

.....
*Treatments invented at St. Jude have helped increase
the overall childhood cancer survival rate from 20 to
more than 80 percent since opening more than 50
years ago*

.....
*St. Jude freely shares their discoveries, and every
child saved at St. Jude means doctors and scientists
worldwide can use that knowledge to save thousands
more children*

.....
*St. Jude conducts more clinical trials for childhood
cancer than anyone else*

.....
*St. Jude is where doctors often send their toughest
cases, because St. Jude has the world's best survival
rates for some of the most aggressive forms of
childhood cancer.*

.....
*St. Jude treats children from all 50 states and around
the world*

.....
*Because a majority of St. Jude funding comes from
generous donors, St. Jude has the freedom to focus
one what matters most - saving kids regardless of
their financial situation.*
